OBJECTIVE

I am a junior petroleum engineer seeking a career related to my major as petroleum engineer where I can be a benefit to the company and develop both my technical and interpersonal skills. I enjoy all aspects of working in oil and gas field. I take pleasure in socializing and attending beneficial courses for developing my skills.

EDUCATION

B.Sc of Petroleum Engineering

2009 - 2014

Faculty of Petroleum & Mining Engineering
Suez University

EXPERIENCE

Trainee at :

- GUPCO (Ras Shokir Oil Field)
- Petro Dara (Arta Oil Field)
- GEMSA (Operations Office at Headquarter)

SKILLS

- Able to work both independently and in a group.
- Ability to work in all kinds of working conditions with a flexible schedule.
- Ability to compile a set of data to make it readable for anyone.
- Able to manage my time efficiently.
- Strong quantitative and analytical skills.
- Great communication skills.
